PACKAGED COURSES FOR BEAUTY SERVICES

The Australasia International School combines courses under the same training package for those students who are seeking to obtain further and in depth industry knowledge and skills.

The Australasia International School has professionally set up Beauty training rooms and has highly skilled trainers to facilitate this course so that students can learn, be confident and be ready for industry upon successful completion of this course.

SHB30115 Certificate III in Beauty services:

This course provides the skills to be employed as beautician that provides a range of beauty services including waxing, lash and brow, make-up and manicure and pedicure services in the beauty industry.

These individuals possess a range of well-developed technical and customer service skills where discretion and judgement are required and are responsible for their own outputs. This includes client consultation on beauty products and services. Work is typically conducted in beauty, waxing, brow and nail salons.

SHB40115 Certificate IV in Beauty therapy

This course suits students who are seeking to be employed in a role whereby they will provide skin analyses, facial therapies, skin-care treatments and body treatments such as massage to clients.

These individuals possess a range of well-developed technical and customer service skills where discretion and judgement are required and are responsible for their own outputs. This includes client consultation on beauty products and services. Work is typically conducted in beauty, waxing, brow and nail salons.

SHB50115 Diploma of Beauty therapy

This course suits students who are seeking to be employed as beauty therapists to provide a broad range of beauty therapy treatments and services including facial treatments, body massage and treatments, hair removal, lash and brow treatments, nail and make-up services. This includes consultation with clients to provide beauty advice, recommend beauty treatments and services, and sell retail skin-care and cosmetic products.

These individuals work relatively autonomously and are accountable for personal outputs. Their work involves the self-directed application of knowledge and skills with substantial depth in some areas where judgement is required in planning and selecting appropriate equipment, services and techniques. Work is typically conducted in beauty salons and spas.

At the end on completing each course a Certificate will be issued and used as the evidence, where appropriate, to apply for Credit Transfer in the next qualification.
