

The Australasia International School has professionally set up Beauty training rooms and has highly skilled trainers to facilitate this course so that students can learn, be confident and ready for industry upon successful completion of this course.

This course suits students who are seeking to be employed as beauty therapists who provide a broad range of beauty therapy treatments and services including facial treatments, body massage and treatments, hair removal, lash and brow treatments, nail and make-up services. This includes consultation with clients to provide beauty advice, recommend beauty treatments and services, and sell retail skin-care and cosmetic products.

These individuals work relatively autonomously and are accountable for personal outputs. Their work involves the self-directed application of knowledge and skills with substantial depth in some areas where judgement is required in planning and selecting appropriate equipment, services and techniques.
